

M3M India launches its ultra-modern lifestyle project 'Marina' /

M3M India welcomes you to live in an oasis of luxury replete with a sprawling sea-side! /

M3M India's new project Marina spells world class opulence for the young at heart

Designed like a sea side marina, the complex houses an enthralling beach inspired lake, yacht club, sun-deck spa & gym

New Delhi, April 6, 2015: Taking its nautical themed luxurious residential projects a notch higher M3M India, a leading ultra-luxury real estate developer, recently launched 'Marina', the sky-piercing 19-29 storey residential towers with spacious interiors. **Priced at Rs 1500 crore (approx.), the ultra-luxury project is opulently designed and architecturally-fashioned like a sea-side Marina to indulge the young at heart. It is replete with a magnificent beach inspired lake with a Yacht club surrounded by landscaped gardens that give you a feeling of living by the bay.**

Perfect for those with a penchant for the great outdoors, M3M Marina is equipped with elements of modern living **within a beach inspired ambience. Imagine a very large pool just outside your home to lounge in.** The pool deck with beach entry pool and cabanas and the sun-deck spa & gym provide inhabitants **with idyllic solace.** The beautiful balconies give the residents a splendid look of the scenic beach-inspired environs and lush green open areas.

Mr. Pankaj Bansal, Director-M3M India said, "M3M Marina is developed to cater to urban upmarket residents with a taste for the high life, who seek luxury without compromising on practical purposes. The project is resplendent with its scenic beauty and houses the best-in-class facilities for the rejuvenation, social and entertainment needs of residents. **The highlight of course remains the recreated sea-side designed for sheer indulgence.** Quality, on-time delivery and excellence are etched deep within us, and Marina dovetails perfectly with our ideology."

Project 'Marina' also houses recreational facilities for kids like parks, a cricket pitch, bicycle track and tennis court. Providing easy access to schools, medical facilities, highways, metros and malls, the project facilitates its dwellers with power back up, library and entertainment centre, banquet area, music hall and a squash court as well.

Come discover beach inspired environs that redefine relaxation amidst urban chaos, only at M3M Marina.
