

M3M Appoints Industry Giants as Construction Partners

M3M Group, the fastest growing real estate development conglomerate recently awarded Construction Contracts for five of its latest projects. The deals that stand at a contract value of more than Rs 350 crs will bring on-board some of the biggest names in the Real Estate construction space including Tata Projects and Aar Cee Contracts. The contract will ensure construction of 2194 units spanning across 2.6 million sq feet of prime area in Gurgaon.

Speaking on the development, Mr. Pankaj Bansal, Director, M3M India said, “With finest construction partners on-board, we have the capacity to deliver the best-in-class projects. Their expertise combined with our resources will ensure that our projects get rolled out timely with uncompromising quality.”

M3M has commissioned the construction mandate of its two projects M3M Latitude & M3M Urbana Business Park to Tata Projects, M3M The Marina & M3M Sierra 68 to Aar Cee Contracts and M3M TeePoint to Wig Brothers. While M3M Urbana Business Park and M3M Tee Point are commercial projects, others add to M3M Group’s residential developments.

M3M Group is on a delivery spree and will be delivering five of its key projects in the next six months. “We have recently delivered M3M cosmopolitan – a high street retail hub on Golf Course Road Extension and we plan to deliver five other key projects in quick succession. Awarding of these Construction Contracts will further accelerate our Project delivery momentum”, added Mr. Bansal.

M3M has a total of 18 projects at different stages of development; of these 11 are residential projects and 7 commercial projects. The Group owns a huge land bank in prominent locations of Gurgaon, which it plans to develop in a phased manner.
