

M3M organizes free health camp for its construction staff

- ✓ **Construction Workers get free health checkup done**
- ✓ ***M3M Group in association with Medanta Hospital organizes 2 days free health checkup camp***
- ✓ ***Keeping in view the up-rise of dengue cases, M3M Group organizes 1 day blood donation camp***

With an aim to extend their support to community welfare initiatives and provide better health and safety to its construction staff, Gurgaon's leading real estate company M3M Group, organized a 2 day free health checkup camp at its office - Experia Lawns in Sector 65. 4650 People got their health checkup done at this camp organized in association with Medanta Super Specialty Hospital. A one day blood donation camp was also organized in which M3M employees donated blood to meet the inevitable rise in the demand for blood because of the increasing dengue menace. A total of 74 units of blood were collected.

Mr. Roop Bansal, Managing Director, M3M Group said, "M3M family recognizes its responsibility towards the community and believes in contributing to harmonious and sustainable development of society. Health being a key pillar of any society, becomes a prime focus area for M3M CSR operations. We thank Medanta Super Specialty Hospital for all their support and cooperation."

Various tests were conducted free of cost including X-Ray; Blood Sugar testing; General Body Check Up; ECG; ENT; Eye Test. Free medicines, blankets and few household items were also distributed to the workers. The specialist doctors – who diagnosed and gave free consultation to the patients – with their teams included Dr Bornali Datta, senior consultant (respiratory and lung diseases), Dr. R.R Kasliwal (cardiology) and Dr. Sudipto Pakrasi (ophthalmology).

One of the construction worker said, "I am thankful to M3M Group for organizing this health checkup camp. It was very beneficial to us as we got many costly tests conducted free of cost which otherwise would not have been possible for us to afford."
